

## LogMeIn Installation Instructions

### STEP 1: Visit Our Website

Visit [www.kfreemanfinancial.com](http://www.kfreemanfinancial.com) → Click the  image under “SETUP REMOTE LOGIN” on the home page.

### STEP 2: Download Installation Wizard

LogMeIn Installer will open in a new webpage → Check the box marked “I have received this link from a trusted source” → Click **Continue**

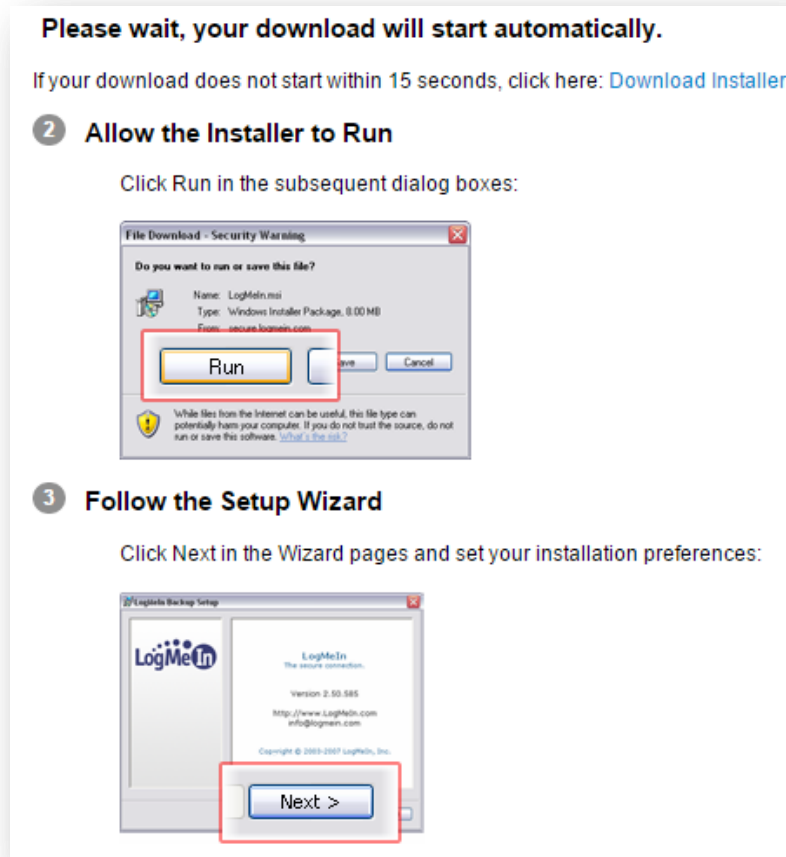

Click **Download Now** on the next screen → The Installer will Open, Click **Run** to run the installer.

### STEP 3: Follow Installation Wizard / Setup

Allow the Installer to run after clicking the **Run** button → Follow the Automatic Setup Wizard by clicking **Next** and allow the software to install on your **(C:) Drive**

### STEP 4: Restart Your Computer

Finish following the Setup Wizard → The wizard should prompt you to restart your computer → Restart your computer → Once restarted, you will show up on our "Computers" list and we will log in to view your financials.
